Philips AVENT
Natural Feeding Bottle

9oz

Slow Flow Nipple

SCF663

Clinically proven to reduce colic*

The anti-colic valve flexes to allow air into the bottle, reducing colic. The soft, naturally shaped nipple makes it easier to combine breast and bottle feeding. Bottle is made from PES, a BPA-Free material with a natural honey-colored tint

Benefits and features:

- Reduces colic
- Less air in baby's tummy
- Easy to combine breast and bottle feeding
- BPA-Free
